

LHTAC WORKSHOP 2011

- The Local Highway Technical Assistance Council (LHTAC) will present a concise workshop on upcoming procedure changes to include the new Stewardship Agreement between the Idaho Transportation Department and LHTAC, the Selection of Consultants, and Management during the Design and Construction of Local Federal-aid Projects.

Although new applications will **not** be accepted for the STP-Rural Federal-aid Incentive Program in fiscal year 2012, we will take applications for the 2012 Bridge Replacement and Rehabilitation Program - Local and Off-System.

- An overview of the Local Rural Highway Investment Program (LRHIP) and 2013 Application will be presented. (2013 LRHIP Applications will be available September 15, 2011)
- Americans with Disabilities Act (ADA) compliance issues will be discussed.

These ½ day workshops (listed below) will be beneficial for both Sponsors and Consultants, and registration is **not** required. Please plan to attend.
